### This Month's Words of Wisdom

*The value of a person resides in what they give and not in what they are capable of receiving. Everything we do and everything we say is an example. Kiwanis is a community working as a team.*

### Sponsored Youth

#### Builder's Club

The Silverbrook Builders Club had 95 students at their first meeting of the school year! The faculty advisors are: Suzanne Milkus, Terese Miller, Kitty Shippen and Cathy Spies. Some of the ways our Early Risers Club supports the Silverbrook Club is by helping with the \$150.00 Kiwanis International dues, providing reimbursement to advisors for their work, and presenting awards and Kiwanis Bears to outstanding club members each semester. These middle school kids are all about *Service and Community*.
